## Welcome to Jester House

- The original Jester House was established here in an old cottage in 1991. It set out with strong family values and sustainable ethics. In 2006 we rebuilt to create the modern/medieval eco-friendly cafe you enjoy today.

We take pride and care to serve you food that is fresh and tasty, made with the best local ingredients. We produce all our own breads, sweet treats, chutneys and dressings. This makes the unique taste of Jester House.

We also offer romantic accommodation for couples in our Fairytale Boot. You will enjoy an accommodation experience like no other.

Thanks for your visit, we look forward to serving you again soon.
